

30 cm Gas on Glass Hob, 2 burners Professional Series

P302PROGNE

Bring Italian design and precision into your kitchen with the Bertazzoni gas on glass cooktop, two burners version, designed to install almost flush with the countertop.

This Bertazzoni Professional Series 30 cm gas on glass hob features two aluminum burners, with brass ring and matt cap, with different power levels to make cooking simple and precise. The two burners, respectively of 3 KW and of 1.75 KW, offer added versatility. Flame failure device and one hand ignition make this hob the perfect solution for residential apartments.

Build your favorite mixed cooktop with the dominos lineup of Bertazzoni, mixing gas, electric and griddle.

Designed and manufactured with pride by Bertazzoni in Italy.

Available in black glass.
