

38 cm Teppanyaki Electric Griddle Cooktop Professional Series

P381TPROGNE

Bring Italian design and precision into your kitchen with the Bertazzoni knob controlled electric griddle cooktop, designed to install almost flush with the countertop.

This Bertazzoni Professional Series 38cm electric hob features a large teppanyaki-style stainless steel griddle with 9 power levels to make cooking simple and precise. Build your favorite mixed cooktop with the dominos lineup of Bertazzoni, mixing gas and electric versions, to offer added versatility to your kitchen.

Power and residual heat indicators make this hob the perfect solution for residential apartments. Clean in no time after cooking, thanks to the smooth glass and stainless steel surfaces, with no gaps, joints or fasteners.

Designed and manufactured with pride by Bertazzoni in Italy.

Available in black glass.
