

**76 cm freestanding bottom mount refrigerator,
stainless steel**
Professional Series

RBM76F4FXNC-GM

This 70 cm freestanding bottom-mount refrigerator has a total capacity of 481 liters. The refrigerator is equipped with 4 shelves, 3 of which with variable height, 3 height-adjustable bins + 1 stationary and 2 drawers with adjustable humidity. The ZeroFresco chiller drawer allows you to better preserve your meat and fish at a temperature of around 0°C.

The Total No Frost cooling system avoids the formation of ice and bacteria. The LED touch interface has been designed for maximum ease of use. The LED illumination ensures perfect lighting on all levels.

PureBreeze UV technology eliminates 99.99% of bacteria and viruses with UV-C LED rays, while the activated carbon filter effectively filters odors and improves air quality, keeping the atmosphere of the refrigerator cool.

E energy class.
