

90cm built-in french door refrigerator, paner ready with ice maker and water dispenser Professional Series

RFD90S5FPNS-GM

This Bertazzoni 90 cm built-in french door refrigerator is engineered and manufactured to meet the highest grade of quality and performance.

This entire unit has ample storage capacity, with 389 L of refrigerator volume and 157 L of freezer space. The refrigerator compartment has 3 shelves of which 2 are height-adjustable and 2 full extension crispers. Additionally, it features 1 Fresco drawer with separate digital controls. This zone's temperature can be set from -1°C to 5°C, preserving fresh food nutrients, flavors, and visual appearance substantially longer. The Total No Frost cooling system provides an automatic defrosting function for both evaporators to ensure optimized food storage conditions. The freezer compartment has 2 metal drawers and an automatic ice maker.

The electronic touch-control LED interface simplifies setting and monitoring of all vital functions. LED lights on the top and sidewall provide clear illumination of the interior space. The internal water dispenser is equipped with an inline filter for hygienically clean drinking water and ice.

Using one of the available handle kits in Professional, Master Series and Heritage Series style (2 kits needed), it perfectly integrates with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen. Handle kits are sold separately.
